

SimplyAgree vs. Closing Folders

Find the right closing tool for your firm's needs—here's how SimplyAgree compares to Closing Folders on the basics.

	 SimplyAgree	 iManage
Tool type	Premium closing management Focused exclusively on the most sensitive administrative parts of the closing.	Legacy transaction management Suite of products for law firm's CRM, ERM, eMarketing, and client experience needs.
Best fit for	Firms prioritizing their closing execution speed and client deliverables without a major platform rollout.	M&A practices that are completely aligned—from partner to support staff—on how they want to close their deals.
Pricing model	Unlimited Annual subscription with unlimited transactions based on your firm's deal volume.	Limited Base pricing covers a limited set of monthly users, increasing cost as more users are added.

Today, **one of every four** large law firms in the US closes their complex deals with SimplyAgree.

Am Law 200

Am Law 100

Am Law 50

Why 30% of AmLaw 200 firms choose SimplyAgree:

Focus

We don't offer an extensive suite of products for a reason—our entire business, from executives to our engineering team is laser-focused on solving the biggest pain points around closings.

Adoption

We offer personalized training for every firm, including in-person or virtual group and one-on-one demos, and an accessible support team ready to offer live transaction guidance when users need it.
